

ProLiferate

A PENETRATING HUMECTANT SOIL SURFACTANT

CONTAINS NON-PLANT FOOD INGREDIENTS:

33%.....1,2,3-Propanetriol
10%.....Alcohol Ethoxylate
57%..... Inert Ingredients (Aqueous Solution)

WARNING

Causes eye irritation
Causes skin irritation

Product Information:

ProLiferate is a biodegradable blend of liquid humectants and hygroscopic compounds which permits water molecules to penetrate and bind to the soil particles, providing additional moisture to feeder roots to reduce crop water stress.

Keep out of Reach of Children

Notice: Before using this product read the entire Precautionary Statements, Product Information, Directions for Use, First Aid Measures, Handling & Storage and Warranties and Disclaimers.

First Aid Measures in Case of Contact:

Eye Contact: Do Not Rub Eyes. Flush eyes with large amounts of water. If irritation persists consult a doctor.

Skin Contact: Remove contaminated clothing and shoes. Wash affected area and clothing with water. If redness develops, consult physician.

If swallowed: Drink 1-2 glasses of water to dilute in stomach. Call a physician to seek medical attention immediately. Do not induce vomiting.

Handling & Storage: No special handling precaution.

DIRECTIONS FOR RATES, FREQUENCY and METHODS

Agricultural:

In soil applications, used alone or in combination with other products including fertilizers, apply up to 64 oz. per acre per month based on crop requirements and soil type. Apply with sufficient water to obtain lateral and vertical distribution uniformity into crop feeder root zones.

Turf and Ornamental:

Apply 128 oz. per 100,000 sq. ft. every 15-30 days in sufficient water to obtain lateral and vertical distribution uniformity into turf or plant feeder root zones.

Application Methods:

May be applied thru standard irrigation systems or as an over-the-top surface spray with sufficient amount of water to follow immediately.

The rate, frequency, water requirement and method of applications for Agricultural, Turf and Ornamental uses may depend on, crop, turf or plant type, soil profile, weather and local growing conditions. Consult with your professional advisor for more specific information, requirements and use guidelines.

Warranty and Disclaimers:

Integrated Agribusiness Professionals ("Seller") warrants that the product contains the ingredients in the amounts stated on this label. This warranty is expressly in lieu of all other warranties and representations expressed, implied, or statutory, including warranties of merchantability and fitness for a particular use. Timing, rate and method of application, weather, and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risk of use, storage, and handling of this material not in accordance with directions given herewith.
